KO3

BFGOODRICH
ALL-TERRAIN T/A KO3 TYRE

Legendary toughness, made tougher.

▶ **Engineered to Endure**

A new tread rubber compound, an optimized footprint shape and our hightech full depth locking 3D sipes makes KO3 the best in class in terms of tread wear.

▶ **Built to Overcome**

Coregard technology in both shoulder and sidewall areas, as well as our new rubber tread compound, makes our new KO3 even tougher than its predecessor.

▶ **Designed to Do It All**

Improved traction capabilities thanks to the full depth 3D locking sipes, interlocking tread elements and updated shoulder serrated design with “mud phobic” bars.
