ALL SEASON VAN

 All-Season Light Truck Electric Vehicle Ready

FITS VANS

- Enhanced all-season braking with a high number of sipes and cap compound
- Deep treads designed for enduring performance
- Robust casing built for heavy loads and long-term durability

TYRE FEATURES

CARCASS DESIGNED FOR HEAVY LOADS

A robust design built for durability on the road ahead. Tow heavy loads with peace of mind, so you can focus on getting the job done.

DEEP TREADS

Efficient tires designed to keep you moving and getting the job done for the miles ahead.

HIGH NUMBER OF SIPES IN INTERACTION WITH CAP COMPOUND

A high number of sipes engineered for enhanced braking, no matter what the road ahead or the weather above throws at you.
