Electric Vehicle Ready

FITS PASSENGER CARS AND SUVS

- 3D blading for confident all-season braking
- Smooth handling in various weather conditions
- Enhanced footprint for even wear and long-lasting tread

TYRE FEATURES

3D BLADING

Stay worry-free in all seasons, wet or dry. Effective braking when it matters most.

ENHANCED FOOTPRINT

A drive that lasts. A strong contact patch and enhanced footprint means strong mileage on the road ahead.

ROBUST CARCASS

For the well-rounded driver. Master every curve, on wet, dry, smooth or rough roads with optimized handling wherever you may roam.
