

Dunlop

ECONODRIVE WINTER

225/70 R15 112R Winter

Description Technologies EU Tyre Label

- RELIABLE WET HANDLING
- STRONG MILEAGE
- EFFECTIVE TRACTION ON SNOW

Benefits

V-SHAPED GROOVES

Aligned transversal grooves for enhanced water evacuation

BLOCK STRENGTHENER

Connectors between blocks lead to tread stability & therefore less abrasion

INTERLOCKING NETWORK OF GROOVES

Central grooves creating interlocking network that "catches" the snow as you drive
