

SP SPORT MAXX® TT

(Select sizes with DSST®)

Driving Precision Powered by Dupont™ Kevlar®

FEATURES

TOUCH TECHNOLOGY™

Multi-Radius Tread Technology™

Flatter tread profile

Asymmetric tread design

Unique bead fit system

DuPont™ Kevlar® reinforced lower sidewalls

Motorsport-inspired tread

Jointless Band Technology™

Max Flange Shield®

BENEFITS

Helps provide enhanced communication between driver and road for fast driver feedback and precise steering response

Helps deliver superb dry handling while maintaining wet handling

Enlarged contact patch for enhanced cornering capability

Helps provide a balance of wet and dry performance

Helps enhance force transmission between tire and wheel for superb driver feedback

Help enhance road feedback and driving precision

Helps enhance wet and dry grip while maintaining tread life

Helps maintain the tire's shape and enables smooth performance at highway speeds

Helps protect rims from accidental curb damage

Dry Traction

Ultra Wet Traction

Cornering Stability

Steering Responsiveness

Rugged Toughness from DuPont™ Kevlar®

Original Equipment on BMW
