

# MICHELIN

## KEY BENEFITS FOR MICHELIN ALPIN A4 TYRE

Feature #1

Feature #2

### **SAFETY AND TRACTION ON WET ROADS<sup>(2)</sup> AND SNOW<sup>(1)</sup>.**

For winter driving, you need tyres that can perform in harsh weather conditions. The MICHELIN Alpin A4 winter tyre features Full Active Tread and Helio Compound for grip, stability and braking performance on wet roads<sup>(2)</sup>, snow<sup>(1)</sup> and ice<sup>(5)</sup>. The optimized Contact Patch distributes tyre pressure more evenly for high levels of reactivity and control, helping to ensure the safety of you and your passengers.
