ULTIMATE TRACK TIRE FOR THE BEST LAP TIMES

ULTIMATE TRACK PERFORMANCE MADE TO LAST

Ultimate track tire for best lap times¹

0.5 sec per km for dry laptime on a racetrack¹ equivalent to +150hp on a 520hp powered vehicle²

Extreme lateral dry grip and driving precision¹

MICHELIN's remastered tread pattern increases contact with the ground by 10%³

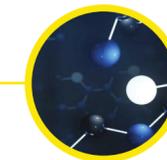

Engineered with acclaimed car makers for record breaking performance

- Homologated on the most exclusive hypersport cars such as Porsche, Ferrari, Mercedes-AMG, Koenigsegg & Corvette
- 8 world lap time records since 2018⁴

Premium Touch sidewall design

Finished with a stylish dark velvet effect

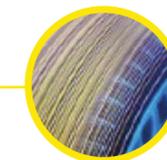

Exclusive motorsport compound

Extreme dry oriented compound with a specific formulation.

Remastered tread pattern

to increase the contact patch by around 10%.⁵

Dynamic Response technology

MotorSport experience legacy - a hybrid belt of Aramid and Nylon ensures optimum transmission of steering instructions onto the road.
