

MICHELIN

KEY BENEFITS FOR MICHELIN PILOT SPORT ALL-SEASON 4 TIRE

Feature #1

Feature #2

Feature #3

PERFORMANCE MADE TO LAST.

Developed on the track and proven on the street, our innovative Dynamic Response Technology ensures forces and temperatures are distributed evenly for a longer wear life. Michelin Pilot Sport All Season 4 delivers long-lasting ultra-high performance.

ELEVATE YOUR POTENTIAL IN ALL SEASONS. DRY, WET, OR SNOW COVERED - THE PILOT SPORT ALL SEASON 4 DELIVERS SUPERIOR PERFORMANCE.⁽²⁾

1) Asymmetric tread pattern - Places more rubber on the outer shoulder to deliver exceptional lateral grip.3) Extreme Silica+ tread compound - A race inspired tread compound engineered with maximum levels of silica to grab hold of slick pavement.4) 360-degree variable sipe technology - Distinctive full depth and interlocking sipes provide biting edges for improved traction in wet and snowy conditions.5) Helio+ technology - Advanced rubber grips the road even in freezing conditions.6) Biting edges in the tread grooves grab loose snow to help control acceleration and braking in winter conditions.7) The Michelin Pilot Sport All Season 4 tire delivers up to 30% better wet braking and significantly better dry handling than competitor EV specific offers.⁽¹⁾⁽²⁾

SUPERCAR CERTIFIED DESIGN.

Michelin Pilot Sport All Season 4 is the first all-season tire chosen by Chevrolet for the Corvette. Elevate the look of your sports car with a premium touch design that stands out from the crowd.
