### ELECT™

ELECTRIC DRIVING

The ELECT™ marking on the sidewall identifies Pirelli tyres, specifically developed for high performance electric and plug-in vehicles, in line with the Perfect Fit strategy.

## Reasons to choose P ZERO™ (PZ4)

Born from the Motorsport racing expertise and developed through strong collaboration with leading car makers, the P ZERO™ is the Ultra High Performance summer tyre tailored for high-end cars and SUVs.

The fourth generation of P ZERO™ offers uncompromising performance in both dry and wet conditions.

It maximizes high-end vehicles' performance, providing excellent handling for sports driving and considerable braking and traction also at high speed.

P ZERO™, the perfect fit for performance cars.

## Customised inner tread design

Safety in wet performance thanks to the high silica content. Excellent traction and riding comfort with high pitch sequence
