# POWERGY™ 2

My smart choice in summer for urban motion

**Full depth grooves and sipes, developed with a tread-longevity-focused design**

Increased mileage and tread design that preserves its characteristics throughout the tyre's life

GREAT CONTROL IN SUMMER

IMPROVED MILEAGE <sup>1</sup>

HIGH EFFICIENCY AND LOW ROLLING RESISTANCE <sup>2</sup>

## Reasons to choose POWERGY™ 2

Developed for urban mobility, from daily commutes to extended journeys, Pirelli POWERGY™ 2 is the solution for drivers looking for a practical and versatile summer tyre.

### Smart solution for urban motion

The second generation of Pirelli POWERGY™ tyres is the solution for drivers looking for a dependable summer tyre that upholds Pirelli's renowned quality standards.

Designed for the pace of the city and ready for the occasional getaway, **POWERGY™ 2** offers great control and offers a smooth drive throughout daily scenarios.
