SCORPION™ (S3)

The SUV Specialist - Premium summer tyres created with leading car makers

DRIVING COMFORT

Low noise emissions and reduced vibrations

SCORPION™ tyres are **tuned for comfort-focused driving pleasure**, ensuring smooth and pleasant journeys, thanks to **low noise emissions**³, and soft handling, thanks to specific testing aimed at **reducing tyre-generated vibrations**.

EXCELLENT DRY AND WET PERFORMANCE ENDORSED BY TÜV

HIGH MILEAGE FOR COUNTLESS JOURNEYS

REFINED DRIVING PLEASURE AND COMFORT

Why choose SCORPION™ (S3) tyres for your SUV

Developed for high-end SUV application, the third generation of SCORPION™ is the High-Performance summer tyre that combines Pirelli's latest innovations with the expertise and collaboration of top car makers.

STEADY CONTROL

Highest score in dry braking¹ and wet handling¹ in TÜV Premium Tyre Mark tests

SCORPION™ tyres are specifically **designed to enhance your SUV driving experience**, delivering confidence, control and precision.

These tyres offer remarkable response in wet conditions:

- best-in-class in wet handling¹ in TÜV Premium Tyre Mark tests
- excellent wet braking¹ and aquaplaning¹ in TÜV Premium Tyre Mark tests
- 100% A-class rating in wet grip² across the entire range

Performance remains at the top on dry surfaces, with **leading dry braking**¹.
